COURSE DETAILS

The race starts just outside of LEGOLAND's main entrance along the Tyke Hike and continues inside LEGOLAND making a loop of the park. Due to construction at LEGOLAND, this year's race will finish just upon exiting the theme park. After the finish line, children will be directed through finish line chutes where they'll receive their medal before returning to the main event footprint.

REGISTRATION POLICY

For the safety of all participants, anyone who participates in the race must register. Adults have the option of registering at full price and receiving an event T-shirt, post-event refreshments and qualifying for the "Run for Your School" fundraising program or paying a \$5* companion fee and simply accompanying their child in the race. The companion fee includes a "companion" bib number for accessing the race course with a registered child. *Please note: we ask that only one adult per registered child register as a companion - additional adults may register at the regular registration rate.

START LINE STAGING

The races will start using a quick "wave start" according to age. Corrals for the age groups will be set up near the registration area. Children who want to run together but are different ages, should start with the youngest child's group. Corrals will be set up for the following age groups: 12+ (youths only), 11, 10, 9, 8, 7, 6, 5 and 4 & under including families and anyone pushing a stroller or wheelchair.

Please note: No late starters will be allowed so be sure you're at the event and in your corral by 7:45 a.m.

BIB NUMBER, T-SHIRT & GOODIE BAG PICKUP

Day of registration and packet pickup will open at 7 a.m. in the lower parking lot of LEGOLAND. Please note that bib numbers must be pinned to the front of your shirt - not the back!
